QuoteWerks adds another partner to its growing list of Real-time Partners

QuoteWerks is proud to announce the new integration to Supplies Network

ORLANDO, FL (PRWEB) November 1, 2011 Supplies Network is now able to provide its dealers a robust solution for [creating proposals and sales quotes](#) via the popular tool – QuoteWerks. This specialized software enables dealers to save time and money when creating quotes and proposals allowing them to be more efficient, consistent, professional and therefore more competitive in the marketplace.

“With this partnership, Supplies Network and QuoteWerks will provide state-of-the-art web service integration which in turn will support our mutual customers with real time responses on pricing and stock levels – providing up to the second decision making information,” said Bob Mondschein, eCommerce Business Manager at Supplies Network.

Brian Laufer, Vice President at Aspire Technologies, adds “The QuoteWerks team is excited to announce this new partnership with Supplies Network. We strive to provide integrations that streamline the quoting and proposal process to help our customers increase efficiencies and decrease the cost of doing business.”

The Supplies Network integration is now available at no extra cost in the current release of the QuoteWerks for users with the [Real-time Module](#).

About Supplies Network

Supplies Network is the largest privately-owned wholesaler of IT consumables in the U.S. An early innovator of Managed Print Services, the company leverages top industry talent, a robust IT-development team with experience in packaging SaaS services, and relationships with all segments of the print-provider value chain including major supplies manufacturers and resellers. In addition to being a leader in print management, Supplies Network specializes in IT supplies, equipment and data storage media from 70 leading manufacturers. One- and two-day UPS ground delivery is available to 99% of the U.S. population. For more information, visit www.suppliesnetwork.com or call 800-729-9300.
